US Economic Policy

What's in Store for the 99%

How are the billionaires multiplying and making profits world-wide, and on whose backs? What's behind this so-called "recovery"? What can we expect in the near future - is the economy rushing toward a deeper crisis?

To change the world we first have to understand it. Come hear Jack Rasmus tell it like it is. There will be a short presentation followed by discussion and refreshments.

Saturday November 9th

Doors open at 6:30pm

South Berkeley Senior Center

(Close to Ashby BART)

\$5 - no one turned away for lack of funds

Jack Rasmus is a professor of economics and politics, host of the weekly radio show *Alternative Visions*, former union activist, and author of many prolific articles and books, the latest of which is *The Scourge of Neoliberalism: US Economic Policy from Reagan to Trump*.
